No Owner, whether one or more persons, shall have more than one Membership per Lot. Ownership of a Lot shall be the sole qualification for membership in the Club, and each Owner shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his membership in the Club shall automatically cease. **ARTICLE IV**  
**Covenants For Assessments**

**Section 1. Exemption.** The Annual or Special Assessments provided for herein shall commence as to any Lot upon its conveyance by Declarant. It is the intention of this Section that Annual, Limited or Special Assessments shall not apply to any Lots owned by Declarant or to Lots owned by a developer of Future Existing Property if so provided under any Supplemental Declaration executed by Declarant extending these covenants to Future Existing Property not owned by Declarant.

**Section 2. Creation of Lien and Personal Obligation of Assessments.** Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree, for himself, his heirs, representatives, successors and assigns, to pay the Club:

All Assessments shall be fixed, established and collected as hereinafter provided and all Assessments, together with interest, costs and attorney's fees, shall be a charge upon the Lot against which such Assessment is made. Each such Assessment, together with interest, costs and attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. The personal obligation of an Owner for delinquent Assessments shall not pass to his successors in title, unless expressly assumed by them.

**Section 3. Annual Assessments or Charges.** The Annual Assessments levied by the Club shall be used exclusively for promoting the health, safety and welfare of the residents of the Properties and for the improvement and maintenance of the Common Area, and in particular for:

The affirmative vote of a majority of the Voting Members shall be required to approve an increase in the Annual Assessment of more than fifteen (15%) percent from the Annual Assessment of the previous year.
- (c) The Board of Directors may fix the Annual Assessments at an amount not in excess of the maximum allowed herein. When the Board of Directors fixes the Annual Assessments for each fiscal year, the Board of Directors shall, at the same time and in connection therewith, prepare, or cause to be prepared, an annual budget showing the services provided by the Club and the costs thereof.

a capital improvement situated within the Existing Property including the necessary fixtures and personal property relating thereto, provided that any such assessment shall be approved by the affirmative vote of a majority of the Voting Members who are voting in person or by proxy at a meeting duly called for this purpose. Special Assessments may be collected on either an annual or monthly basis as determined by the Board of Directors.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 4 and 5.

Written notice of any meeting of the Club called for the purpose of taking any action authorized under Sections 4 and 5 shall be sent to all Voting Members not less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first meeting called, the presence at the meeting of Voting Members, or of proxies, entitled to cast fifty-one (51%) percent of all the votes of the Club shall constitute a quorum. If the required quorum is not present, another meeting may be called, subject to the same notice requirement except as modified in the following sentence, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the day set for the preceding meeting.

Section 7. Uniform Rate of Assessments and Limited Assessments. Annual and Special Assessments shall be fixed at a uniform rate for all Lots. Notwithstanding the foregoing, if upon request by any Owner or Owners the Board of Directors agrees in its sole discretion to incur certain costs and expenses upon request of the affected Owners that benefit less than all Owners and Lots the Board may establish and fix in addition to the Annual Assessments and Special Assessments certain Limited Assessments to be paid by the Owners requesting that such costs and expenses be incurred.

Section 8. Date of Commencement of Assessments; Due Dates; Certificate.

- (a) All Assessments provided for herein shall commence as to any Lot upon the issuance of a certificate of occupancy for a Dwelling constructed upon a Lot. The amount of Assessments due upon the issuance of a certificate of occupancy for a Dwelling constructed upon a Lot shall be computed according to the number of days remaining in the fiscal year applicable to such Assessment.
- (b) At least thirty (30) days in advance of the due date of each Assessment, the Board of Directors shall fix the amount and due date of the Assessment and give each Owner subject thereto written notice thereof.
- (c) The Club, upon demand and payment of a service fee of not more than Twenty-five and No/100 (\$25.00) Dollars shall furnish a certificate in writing signed by an officer of the Club setting forth whether the Assessments due on a specified Lot have been paid. Assessments not paid within thirty (30) days after its due date shall bear interest from the due date at that rate which is equal to the rate of interest chargeable to a debtor in the State of Georgia on money judgments, of Fifteen (15%) percent per annum, whichever is lower, and such amount, together with interest and the costs of collection thereof as provided hereinafter, shall thereupon become a continuing lien in priority against which such Assessment was made, and shall bind such Lot in the lands of the then Owner, his heirs, devisees, personal representatives and assigns. The Club may bring an action at law against the person personally obligated to pay the same, or foreclose the lien against the Lot in like manner as a deed to secure debt and, in either event, interest, costs, and attorney's fees in the amount of Fifteen (15%) percent of the total amount of the Assessment and interest thereon shall be added to the amount of such Assessment. Upon exercise of its right to foreclose, the Club may elect to declare the entire remaining amount of all Assessments due and payable and collect the same as provided above. In the event of any such foreclosure, the Owner shall be required to pay reasonable rental for the Lot after commencement of the foreclosure action and the Club shall be entitled to the appointment of a receiver to collect the same. No Owner may waive or otherwise escape liability for the Assessments provided herein by abandonment of his Lot.

Section 10. Subordination of Lien to Deed to Secure Debt. The lien of the Assessments provided for herein shall be subordinate to the lien of any first deed to secure debt conveying the Lot subject to Assessments, and the lien of any ad valorem taxes on the Lot. Sale or transfer of a Lot shall not affect the Assessments lien thereon. However, the sale or transfer of a Lot pursuant to a foreclosure, or any proceeding in lieu of foreclosure, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall release such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

Section 11. Collection of Assessments Upon Conveyance by Declarant. Notwithstanding anything contained herein to the contrary, the following Assessments shall be paid to the Club upon the conveyance of a Lot by Declarant.

- (a) The prorated balance of any Assessments due for the fiscal year in which the closing occurs; and
- (b) If the conveyance occurs within ninety (90) days of the end of any fiscal year, the Assessments due or projected due by the Declarant for the next fiscal year.

Section 12. Borrowing Money. Except as limited herein, the Club shall have the right to borrow money in such amounts, for such purposes and on such terms as determined by the Board of Directors. The Club cannot borrow any money if the repayment thereof on an annual basis results in an increase of more than fifteen (15%) percent in the annual expenditures of the Club as projected for the next fiscal year by the Board of Directors. The determination by the Board of Directors as to projected annual expenditures shall be controlling.
